

THE HARROW HERALD

CHAIR ROUND UP

Happy New Year! Wow 2024 where does the time go hey!

Firstly I wanted to highlight the amazing Christmas Party that we held in December. Having not been able to host the event since before Covid it was just such a delight to see it all come together again and restart the tradition. With 60 people in attendance, for a small club like ours that is no mean feat, thank you.

Thank you to our “Turkey” and “Potatoe” cooks too, your volunteering to cook makes such a difference to the night!!

Thank you to our Social Committee for pulling the event together, from the decorations, where Amy and Chandrika were literally like a “kid in a sweet shop” with excitement, to the coordination of the food, raffle prizes, ticket sales. It does take an awful lot of work, so thank you Amy, Chandrika, Kate, Yoofi and Danny.

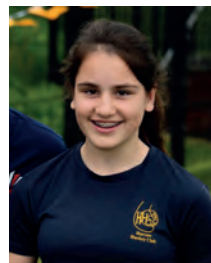

Also, a huge thank you to the helpers on the night, whilst we all had to clear tables there were a small handful of people who spent the evening in the kitchen, prepping food, cooking food, serving food and washing up! So thank you to Kimberley, Paula, Mel, Linda, Tasha for all your help, apologies if I’ve missed out anyone

So on to this year, all the teams are improving performances continually, and it’s great to see more juniors joining the senior section. Keep training hard and the performances will keep coming.

Finally I’d like to say a huge congratulations on behalf of the club to our juniors that have been selected for London North, it really is such an achievement and we’re super proud of you all:

MEMBERSHIPS

Well done and thank you to everyone for having their subscriptions up to date. Thank you to Paula for managing this too, it's not easy!! Please remember that the club has to pay for pitches, coaches, affiliations, insurance, so nothing comes for free. In order to play, subscriptions MUST be paid so we can fund the club.

Paula will be checking monthly that everyone is up to date, so if you're not make sure you get sorted otherwise, we will enforce "No Pay No Play" and you will be removed from the Spond matches and training until you are up to date.

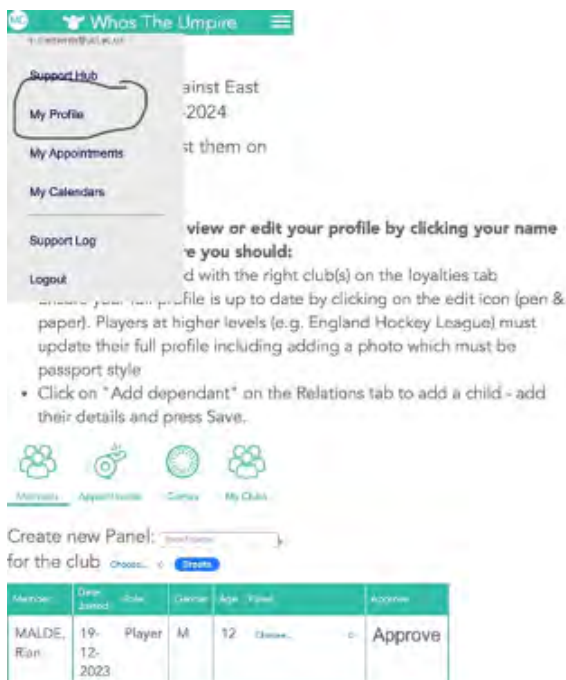

If you need to speak with us about your subs, change your category, or simply have any questions, then please let Paula, our Membership Secretary, know.

FROM THE SIDELINES

The more observant of you may have noticed and breathed a sigh of relief seeing me on the sideline watching Amy play hockey as opposed to umpiring. A well-timed injury just around the time when I was under the surgeon's knife meant a break from all running around for a few weeks. Not being able to participate, even with the whistle is frustrating and waiting for an all clear to get back seemed to take ages.

Amy though decided that I needed to keep involved and volunteered myself and Lucy for Christmas Party spuds in her social duty role. "My Dad makes amazing roast potatoes", was the selling point to the committee. That I had been already asked or agreed to it was irrelevant. All I had to do was multiply the number of roast potatoes on a family dinner by a factor of 20, work out the logistics of cooking them all and get them to the clubhouse by 7:00pm Saturday. Simple.

All Friday plans were now cancelled as we proceeded to peel enough potatoes to sink a ship and stored them in two crates filled with water. On a positive note, we had a bucket full of peelings for the compost heap. When I got back from Saturday Park Run Lucy had already swung into action, cooking

was underway and amazingly by early afternoon all were roasted and crispy and hopefully up to the standard Amy expected. We even had time to pop down to Chiswick to see Emma score an outstanding goal to nick a 1-0 win in a tight game.

As regards the evening – all I can say is thanks to everyone that made it happen, contributed food, helped run the bar, donated prizes, organisation or gave their time to assist. Getting into the clubhouse just before 7:00pm and then seeing it at 7:30pm ready for food and a party was an amazing transformation.

On a personal note, it was great to be umpiring and see Amy score a hat-trick on Saturday. When I have the whistle, she is just one of 22 players on the pitch and I know I need to be fair when she is involved in a decision I need to make, but keep myself in check when she scores a goal (or misses a chance!) however it doesn't stop me from being pleased and proud at the end of the game. If you ask Amy she'll let you know it might well have been four goals but for Dad whistling too early.

Cheers and Happy New Year to all!

Tim
