

THE HARROW HERALD

CHAIR ROUND UP

All teams have settled well into their leagues, and now squads are starting to be settled, but there's always competition for spaces, so keep working hard at training and on match days!

The Welcome social went well, hosted at Kenton, well attended and good fun was had. We have the Annual Quiz this weekend, I'm promised it's the BEST one yet, and with a lovely curry to accompany the evening, can't go wrong! Will we get new Champions??!!

It's great to see so many people in the new kit pieces, please do look to invest in shorts and skorts, as looking well presented is what we pride ourselves on.

Sunday's have been a great sight to witness with Back 2 Hockey sessions continuing to grow, and so many Juniors out in force, feel free to come along any Sunday and enjoy a comittee from the café and watch.

There's some exciting news for us as a club too, read below.....

Have a great match this weekend, and hope to see you at the Quiz.

We are England Hockey Club Mark Accredited!

We're delighted to inform you that we have been awarded the England Hockey Club Mark accreditation.

This is a fantastic achievement for a small club. It demonstrates that we meet the core criteria for delivering hockey, and have good practices in place to ensure we are delivering quality hockey in a sustainable and vibrant club environment.

We can now proudly display the logo on all our communication channels and ensure that any member new or old know that we're a trusted environment for their hockey journey.

Well done us!!

PARKING AT JOHN LYON

A plea to all members, parents and visitors. We nearly had an accident on a Wednesday training session with the cross over of Junior and Senior training,

Please ensure you park in the marked bays, this is whether you're staying, dropping off or collecting. We CANNOT have cars parked along the side verge.

We need to keep a two way flow of cars to allow people in and out.

FROM THE SIDELINES

Quite a bit has happened since the end of the last season. I've retired from work and I am now enjoying being a burden on the state. Most of my travel on public transport is either free or heavily discounted as well; means more money to spend on beer! I completed the London Marathon in 4 hours and 13 minutes and raised £5000 for St Lukes Hospice in Kenton – not a bad effort for a podgy 61-year-old whose sight is not the best now***.

And there's another Allman as first team captain after a thirty plus year gap. I did the job for a few years back in the mid 1990's and I was pleased and proud to discover that Amy was taking on the role from Kim who stepped down after many years of excellent service to HHC. I used the word "discover" advisedly as I heard the news in the car park at Stanmore Golf Club from a member of our Friday fourball!

As regards the hockey. I've umpired a few times and enjoyed my time on the pitch – thanks to the players for making my job an easy one so far! A special mention to the Men's 1st team who improve every time I see them play. They are a credit to the coaching staff, fitness work and well done to all the squad. And good to see the return of Dys as Saturday team manager. I played with him for a season or two in the early noughties and his enthusiasm and sporting nous he had then has not disappeared at all.

On Saturday afternoon I had the chance to actually watch Amy and the team from the sidelines for the first time this season – as opposed to watching with a whistle. How I see the game holding a whistle is so different from the side of the pitch. When I umpire, all I want to achieve is to ensure that the game goes off smoothly, little or no incident and that I don't influence the result through an error and I need to be involved in the game – but unemotionally. On Saturday I had my head in my hands on occasions, was trying to win every tackle and encouraging the team on. And I could cheer actually and enjoy Harrow's winning goal, a great strike from Rhian.

See you at the quiz Night
