

THE HARROW HERALD

CHAIR ROUND UP

Wow February already! We're well and truly into 2026.

The Christmas party was once again a fantastic event. Thank you to our turkey cookers, Stevie, Alison, Caroline, Don, Kate and Jenni. Our chefs and helpers on the night, Paula, Mel, Kimberley, Kate and Liz. To our social committee for bringing the vibe and entertainment, Amy, Chandrika, Ben, Yoofi, Louise, Fiona and Dan. And who could forget Santa! Being back at Kenton bought lots of good memories but none so good as Santa from the roof! Hopefully he'll be back again next year.....

Thank you for all your patience and flexibility with last minute fixture/location changes in January. John Lyon has had the repairs done to the pitch and so we don't expect any further interruptions this season.

I'm delighted to confirm the Dinner & Dance has been booked! Tickets will be on sale soon, it's our annual celebration and is an event not to be missed! A real chance to celebrate the season.

All teams are performing well, with the majority in the top half of their respective league tables, the Men's 1's sit in second currently on goal difference. Keep the momentum going lads!

This month we host Bongo's Bingo at Kenton on 28th February, and hope to see everyone there supporting the club.

Good luck with matches this month

Kerri

GET WELL SOON DON!

I'm sure you have all heard but Don sadly took a tumble during one of the matches at the beginning of the season. Thankfully he is now on the road to recovery, but it was a very worrying time.

Don and I wanted to thank everyone that was there to help. Nick Lendon, Emma Tivendale and David Salmon for their speed in response to the fall, and on pitch medical support. All the Men's 1's for donating all their coats and tops (!!), Rhian Pegram for ringing the ambulance, Holly Capitano for accompanying Don to the hospital, Tasha Webster for taking over umpiring. These are to name but a few, but all the men's teams were present and all showed great concern and offers of help.

What a club effort to ensure the best care was given to our President, it really does demonstrate what a true family we are, thank you to everyone and we hope to see Don back at the club soon.

JUNIOR WORLD CUP

A huge well done to our very own Jessica Dyson on her performance at the Junior World Cup. The tournament was held in Chile through November and December. Despite not coming back with a medal, Jess displayed speed, skill, tenacity and passion throughout the matches, giving defences a run for their money! Scoring a fabulous goal again Australia and proving a problem for the Dutch when in attack.

We're all very proud of you and look forward to seeing you back at the club soon.

SAFE HOCKEY

The Women's 1's had a great time representing the club at the London Indoor tournament before Christmas. The Flamingo's and Peacocks were once again on show! FROM THE SIDELINES

Paying to watch Hockey on TV

Back in December I paid a few of my hard-earned pounds to be able to watch Jess play for England u21 in the junior world cup. I think it was about £20 for the event and around £30 for a season pass to watch other FIH matches around the world, mainly Pro League but a few other competitions as well.

And as part of the FIH Season Pass, it was extra for the World Cup!

Yes - but the Olympic Games - I would watch that free on the BBC you all say. Except that the experience offered was very poor as the BBC was only allowed to broadcast three sports at a time due to the main TV rights being available via Discovery Plus, who are owned by Warner Brothers. I did reluctantly sign up to Discovery Plus and it cost me three months minimum sub to watch!

To England Hockey's credit there are some free to air domestic Pro League and the Super Sixes on you tube but I completely forgot that this was on last weekend!

As with many other sports the entertainment offering now is varied, costly and means multiple subs and restricting access to those who want or can afford to pay.

After the JWC finished I think I have watched around 30 minutes of live action despite there being a number of opportunities to view. and only realised England were playing the Pro League this week when logging in to check some dates. Subscription overload and too much competition for my time to watch. And luckily, I do have more time than most as I've retired.

Not sure where this is going to end as regards elite hockey, but being there is such a better experience and personally speaking I would still prefer a windy and cold day at John Lyon as opposed to watching anything on-line!
